Condition of Submission and Transfer of Copyright

The Korean Society of Applied Pharmacology (KSAP), not-for-profit corporation, located at Rm 402, 27, Seochojungang-ro 20-gil, Seocho-gu, Seoul 06634, Republic of Korea, and author hereby agree as follows: Author(s) hereby represents and warrants that he or she is sole author(s) of the work, that all authors have participated in and agree with the content and conclusions of the work, and that the work is original and does not infringe upon any copyright, proprietary, or personal right of any third party, and that no part of it nor any work based on substantially similar data has been submitted to another journal for publication. Except for copyright, other proprietary rights related to the work (e.g., patent or other rights to any process or procedure) shall be retained by the authors. Authors may use parts of the work (e.g. tables, figures) in subsequent works without requesting permission from KSAP. In consideration of KSAP's publication of the work, the authors hereby transfer, assign, and otherwise convey all copyright ownership worldwide, in all languages, and in all forms of media now or hereafter known, including electronic media such as CDROM, Internet, and Intranet, to KSAP. All accepted works become the property of the KSAP and may not be published elsewhere without prior written permission from the KSAP. If KSAP should decide for any reason not to publish an author's submission to the work, KSAP shall give prompt notice of its decision to the corresponding author, this agreement shall terminate, and neither the author nor KSAP shall be under any further liability or obligation. Each author grants KSAP the rights to use his or her name and biographical data (including professional affiliation) in the work and in its or the publication's promotion.
